ENTRY REQUIREMENTS FOR INTERNATIONAL SWEEPSTAKES CLASSES (ISC):

Purpose:

The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (http://www.akc.org).

Eligibility

This event is open to dogs that are eligible to compete in AKC agility trials.

Jump Heights

Dogs may be entered in their regular or preferred jump heights; however, only those dogs running in the 12",16", 20" and 24" class that meet the FCI/ISC measuring cutoffs (different than regular AKC cutoffs) may use their clean run toward the required qualifications for WTT or EOTT. Please see the 2027 EO/AWC Tryout Rules for further details.
The FCI/ISC cutoffs for those heights are as follows:
- **Small** (12" jump height) – for dogs measuring 13 ¾" or less at the withers.
- **Medium** (16" jump height) – for dogs measuring more than 13 ¾" and up to 16 ⅞" at the withers.
- **Intermediate** (20" jump height) – for dogs measuring more than 16 ⅞" but less than 18 ⅞" at the withers.
- **Large** (24" jump height) – for dogs measuring over 18 ⅞" at the withers.

JUMP HEIGHT CARD PROCESS

ENTRY FORM: If your dog needs to be measured, please check the box at the top of the entry form so your dog can be placed on the "To Be Measured" list.

All agility dogs are required to have an Official Jump Height Card/Valid yellow form and exhibitors must be able to present it at any time during the trial **upon request.** All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by *a* Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. However, if a **Volunteer Measuring Official (VMO**) or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form **must** be measured at some time during the trial or cluster of trials. **If a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.**

TRIAL HOURS

The trial site is available no less than 1 hour prior to the first run each day.

SET-UP

Exhibitors are allowed to set up at least 1 hour prior to the first run.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. An email confirmation will be sent at the time of processing if a legible, valid email address is provided on the entry form. Additional confirmations will be emailed to acknowledge move-ups and corrections/changes (prior to closing). A final confirmation and the judging program will be emailed after the trial closes. Printed confirmations and Judging Programs are mailed to exhibitors without email addresses after the trial closes. **OWNERS/HANDLERS ARE RESPONSIBLE FOR REVIEWING ALL INFORMATION IN THE CONFIRMATION LETTER EACH TIME IT IS SENT AND CONTACTING THE TRIAL SECRETARY IMMEDIATELY IN WRITING (EMAIL) IF A CORRECTION OR CHANGE NEEDS TO BE MADE.**

If you have a spam filter in place on your email account, please add the trial secretary's email address to your accepted address list. If you are not receiving emails from the trial secretary, it is your responsibility to notify the trial secretary to reach a resolution.

Any exhibitor who does not receive a preliminary confirmation within 10 days of mailing a paper entry should contact the Trial Secretary to confirm receipt of paper entry.

Any exhibitor who does not receive the Judging Program within five (5) days prior to the trial, should contact the Trial Secretary. Always bring a paper copy of your confirmation letter to the trial. Corrections to the confirmation letter that are not brought to the trial secretary's attention at the time of receipt will render the database as the final authority for the day's information.

FOR EXHIBITION ONLY

- FEO allows exhibitors to work with their dogs in a trial environment.
- FEO is available in all classes.
- Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare FEO through the Agility Gate app the day of the trial.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day-of show jump height changes are not allowed.
- The exhibitor must declare FEO in the ring to the judge and the scribe **prior to leading out.**

Fix and Go On (FNG)

- Fix and Go On (FNG) is not pre-entered; rather, it occurs during the course of the run.
- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation.
- This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note.
- FNG will result in a non-qualifying score.
- Exhibitors are not to signal they are using FNG – the judge will signal the scribe appropriately.

Qualifications

"Clean run" scores from ISC Classes at official FCI jump heights, 12", 16", 20" and 24",may be used to fulfill the qualification requirements for WTT/EOTT. A "clean run" consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class.

Course Walk Through / Warm Up Area

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of a class. The walk through is restricted to handlers entered in the class. A warm-up jump will be provided.
